

I RUN BECAUSE...

These are the voices of young girls who belong to the Title IX Girls' Running Club, a non-profit program that uses the principles of running to increase emotional intelligence in girls and shape the future of female leadership in Boston. John Hancock is proud to leverage our sponsorship by providing Boston Marathon bibs, which generate valuable funds to ensure that programs like this continue to flourish in our city.

For all things Boston Marathon, use #BeBoston.

2017 BOSTON MARATHON | *John Hancock*

Let's Connect

The Boston Marathon is full of inspiring stories and powerful moments.
